Institutional distinctiveness

2017-2018

The mission of the institution is to offer quality education through qualified and experienced faculty and by establishing excellent infrastructure. The college prayer song emphasizes religious values. Prayers song makes out student teacher feel that they all are equal. Education is given to the students from marginalized section of the society. To make them excellent various programmes and their hidden talents. Campus interview is conducted every year for employment opportunity. To disseminate knowledge in a spirit of love and dedication the institution is particular in helping the differently abled person and the needy. The institution molds and empower student in the pursuit of knowledge, values and social responsibility and help them achieve excellence in various fields, thereby also preparing them to face global challenges. The institution has never faltered in inspiring the students in the pursuit of knowledge, values and social responsibility. The institution has established its distinctive approach towards this comprehensive vision by modeling it in the form of service to the society. By allowing the students to organize events to develop their skills, multidisciplinary project development, Entrepreneurship development. Ethical and human value development. The motto of our college is providing quality education by maintaining standard and discipline

The institutional objectives is "Education to rural people" is intended to initiate in the rural students acceptance of their Social responsibilities of education the next generation, thus bringing a Chain reaction of educational, moral and social developments. To instil in rural pupils, value of health, human behaviors, social and community development through education.

The following principle has been adopted for the trainees. To improve the quality in curricular, co-curricular, extra curricular and career development activities of our students through scientific management and hard and sustained work.
